## **Cinnabar Theater Announces the Opening of *Bad Dates*, February 5 at 8PM**

Cinnabar Theater continues in its 43<sup>rd</sup> season and is proud to announce the opening of the comedy production, *Bad Dates* on February 5, 2016 and continues through February 21, 2016.

One of the theater's most widely produced contemporary playwrights has created a hilariously idiosyncratic journey of self-discovery involving the Romanian mob, a Buddhist rainstorm, a teenage daughter, lots of shoes, and a few very bad dates.

Written by Theresa Rebeck and directed by Molly Noble.

Jennifer King, who directed last season's *I Am My Own Wife*, stars in this charming and slyly sweet one-woman play.

This is a perfect play for Valentine's month. The New York Times says, "...the rarest of good dates, a swell night at the theater".
